

# **Dulcimer By Sharon Instrumental Lessons**

## **Hello, Students!!!**

I look forward to taking you to a new skill level you will enjoy reaching!

Classes are offered for ages 5 and up for these instruments:

hammered dulcimer ~ mt. dulcimer ~ guitar ~ mandolin ~ ukulele ~ flute

My lessons offer music theory, understanding the keyboard, and have opportunities to play duets using various instruments.

**Enrollment:** This involves registration for session 1, 2 or 3 and full tuition (or a payment plan requiring a \$50 deposit - refundable with full attendance).

**Lesson times are available for:**

M-W: 11:00 – 6:00

If you need a time not listed, feel free email me to discuss a better time for you. Children under 18 require parent or guardian supervision at all times.

**Tuition:** Classes are \$25/half hour. The tuition amount is determined by how many classes you sign up for within the session period. A \$50 deposit is required for those on a payment option plan and is returned if all lessons are attended in the session.

**Cancellations:** Same day cancellations result in payment. If I should need to cancel a lesson, you may reschedule or chose to be refunded.

**Sales & Rentals:** Dulcimers, accessories and cds are available for purchase. When available, instruments may be rented for 3 months with a non-refundable \$10/week with a fully refundable deposit of 50% of the cost of the instrument (provided it is returned in the same condition as it was rented).

**Workshops and Jam sessions:** Workshops and free jam sessions for all levels will be scheduled from time to time, to learn new tunes and gain jam etiquette. I look forward to bringing you fun through music!

***I hope to hear from you soon!***
